CASE #5:21-cv-04527-SVK

Case Status Conference Statement

19 The status is disappointing at best. Defendant's have not complied with any Order issued by
20 the Court.

21 Defendant's did not comply with the Court's Order at DE-12 requiring an answer to be filed by
22 their legal counsel on or before August 16, 2021.

23 On August 17, 2021, I filed request to the Clerk of this Court for issuance of Default in this
24 matter.

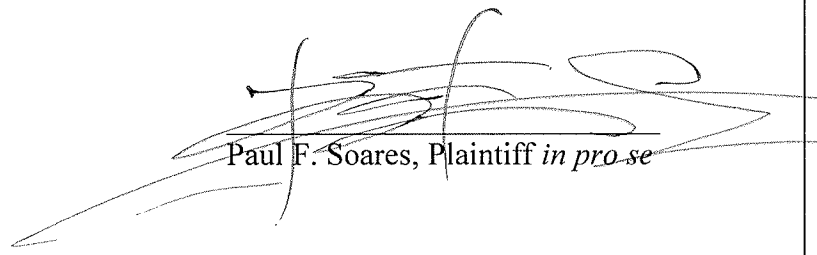

25 I plan to file motions to pierce the corporate and limited liability company veils and motion for
26 Judgment.

27 I allege that there is not much likelihood that Defendant will comply with any future Orders of
28

1 this Court given the lack of compliance to date.
